POP-UP MENUS

AUTOPLAY

The autoplay pop-up menu allows the player to select a number of spins to autoplay at the current Total Bet. To do so, player changes Number of Plays to the desired value. The player must then set a loss limit (must be greater than 0) and then click on the START button to confirm their intention. The menu is then hidden, and the player is returned to the main game screen, with autoplay active.

The player may also choose to set optional conditions to automatically stop autoplay. These include:

- Stop autoplay on a single win of a player-stipulated value.

- Stop autoplay if the balance increases by the amount the player specifies.

- Stop autoplay upon entering free spins.

Note: If you are disconnected while playing, all autoplay settings will return to default when you reload the game.
