

GAME INFO

Game Name: Tibetan Talisman

GameID: TibetanTalisman / TibetanTalisman94 / TibetanTalisman88

Release Date: March 7th, 2023

Tibetan Talisman is a 5x4 slot with 50 fixed paylines, featuring a hold and respin Diamond Bonus and a free spin bonus with expanding Wilds.

Pick Your Fortune Bonus Feature

3 scattered LOGO symbols appearing in any position on reels 2, 3, and 4 award the Pick Your Fortune bonus feature.

Touch the Diamond to play the Diamond Feature or touch the Free Spin icon to play the Expanding Wild free spin feature.

If the Diamond Feature is selected, the reels randomly spin to reveal 6 or more DIAMOND symbols.

Expanding Wild free spin feature

If the Expanding Wild free spin feature is selected, player is awarded 10 free spins.

Free spins are played using the same lines and bet per line as the triggering base game.

During free spins, TALISMAN symbol is wild and substitutes for any symbol except LOGO symbol to make a winning combination.

When TALISMAN symbol appears on the reels, it expands to turn any symbol it is in direct contact with in any direction wild to make a winning combination. Any LOGO symbol affected by this change appears as a TALISMAN LOGO symbol and remains eligible to trigger its associated bonus for that spin.

3 scattered LOGO symbols appearing in any position on reels 2, 3, and 4 award 5 additional free spins.

Free spins are played using different reel sets than base game. DIAMOND symbol is not available during free spins.

During free spins, reel sets are selected using the same rules as for base games.

Diamond Feature

At the end of any paid game, if 6 or more DIAMOND symbols appear on the reels, the Diamond Feature is awarded.

Alternately, if the Diamond Feature is selected from the Pick Your Fortune Bonus Feature, the reels randomly spin to reveal 6 or more DIAMOND symbols, and the Diamond Feature is awarded. Any DIAMOND symbol appearing on the reels as part of the triggering Pick Your Fortune Bonus Feature game are not preserved during the random spin.

Available prizes on each DIAMOND symbol during base game and random triggering outcome resulting from the Pick Your Fortune Bonus Feature are 1X Total Bet, 2X Total Bet, 3X Total Bet, 4X Total Bet, 5X Total Bet, 10X Total Bet, MINI, MINOR, and MAJOR.

All triggering DIAMOND symbols are held, and the reels are replaced with 20 independent reels, each of which is one symbol high by one symbol wide.

Each reel is populated with only DIAMOND symbols and a blank symbol.

3 Bonus Spins are awarded.

Touch the SPIN button to start the bonus.

All reels showing a blank symbol spin.

Any new DIAMOND symbols appearing lock in place and the number of remaining bonus spins is set to 3.

Bonus ends when either no bonus spins remain, or when 20 DIAMOND symbols appear at the end of a bonus spin.

All prizes appearing on each DIAMOND symbol are awarded at the end of the bonus.

Available prizes on each DIAMOND symbol during bonus game are 1X Total Bet, 2X Total Bet, 3X Total Bet, 4X Total Bet, 5X Total Bet, 10X Total Bet, "+1", MINI, MINOR, and MAJOR.

At the end of any bonus spin, if a DIAMOND symbol appears with "+1" as a prize, the current credit values of the prizes on all DIAMOND symbols are increased by 1X Total Bet except "+1", MINI, MINOR, and MAJOR, and the "+1" changes to a current prize value of 1X Total Bet. This is repeated for each "+1" appearing on the reels until no "+1" remain.

If 20 DIAMOND symbols appear, any "+1" effect is applied, and the player is awarded the Extra Bonus Diamond.

Touch the Extra Bonus Diamond.

Extra Bonus Diamond will reveal either MINI, MINOR, MAJOR, or GRAND.

Extra Bonus prize is awarded before all other DIAMOND prizes.

MINI, MINOR, MAJOR, and GRAND award the associated jackpot shown above the reels of the qualifying game.

MINI, MINOR, MAJOR, and GRAND have no value other than the associated jackpot shown above the reels.

Diamond Feature awards are paid in addition to line wins.
